...”The fundamental goal of Challenger Baseball is to make friends. As our players who have disabilities play baseball they have the opportunity to make friends with teammates, who have disabilities, and buddies who do not have disabilities. Buddies are kids and young adults (between the ages 10 and 20 who don’t have disabilities) who hang out with our players on the field and assist them if they need a bit of help.”

Our commitment: We bring water coolers to Tilles Park every Saturday morning during the season to provide water for the players and families, especially when it is HOT!

We also provide “Buddies”. Any children between the ages of 10-20 are allowed to participate.

This is a wonderful opportunity right in our own “back yard”.

Who’s needed: Kids between the ages of 10-20. Volunteers are encouraged to sign up [here](#). Also adult volunteers are needed to set up and takedown the water coolers each week during the season* (Sign up [here](#))

When: *The Season begins the first weekend in May and goes through the last weekend in June.

Time: Games are at 9:00am and 10:30am. Buddies are needed most for the 10:00am games. Coolers should be set up by 9am and can be taken down at noon.

Where: Tilles Park Baseball field inside [Tilles Park](#) (off of McKnight Rd and Litzinger)
