

# Sandwich Sunday

*Our group of MVPs began making sandwiches for the St. Vincent de Paul Parish Sandwich Window once a month and quickly realized the need was much greater. After a few years and much discussion, we asked for support from our parish community that has been so blessed and took on a weekly commitment, offering this opportunity to the entire parish. We have had tremendous support!*

**Our commitment:** We make 200 sandwiches every Sunday after 9:30 mass in the cafeteria. We take these down St. Vincent de Paul Parish in the city, to be distributed through their Sandwich Window, which is open every day of the year. Click [here](#) to see how you can help.

**Who's needed:** Anyone, any age, willing to help.

**What's needed:** Volunteers are needed to do the shopping to purchase the sandwich supplies, make the sandwiches and take them down to St. Vincents. Donations are also welcome to help fund the costs. (It costs approx. \$175/week)

**When:** Every Sunday.

**Time:** After 9:30 mass- only takes about 15-20 minutes

**Where:** The Immacolata cafeteria
