

ST. AGATHA'S CENTER

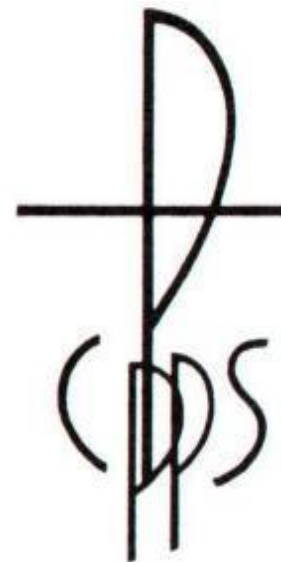

St. Agatha's Center

" St. Agatha Center and Food Pantry began as an outgrowth of the Sisters of the Most Precious Blood's prayer ministry in the early 1970's. From this prayerful beginning, this ministry grew in leaps and bounds and soon people in the neighborhood began coming for food, utility assistance, and other needs."

Sr. Joan Klaas, CPPS, is the Coordinator of the Food Pantry. She makes sure the pantries are well stocked, purchases the products from the local Save-A-Lot, goes to the Food Bank and helps make deliveries.

Our commitment: Sr. Joan calls us when she gets in large donations to help her sort the canned goods and stock the pantry shelves. We carefully check expiration dates and look for box tops before stocking the shelves.

We also support their ADOPT-A-FAMILY at Christmas time by adopting families from their program.

Who's needed: 3 or 4 volunteers, 1 adult.

When: As needed through out the year. We will send an email asking for help.

Time: After school-3:30pm until the donations are sorted. Approx 1-2 hours
