

ENCLOSED YOU WILL FIND THE TUITION INFORMATION AND SCHOOL REGISTRATION FORM FOR THE 2016-2017 SCHOOL YEAR FOR GRADES K-8. The registration form and fees should be returned ASAP — but **no later than Friday, February 26, 2016.**

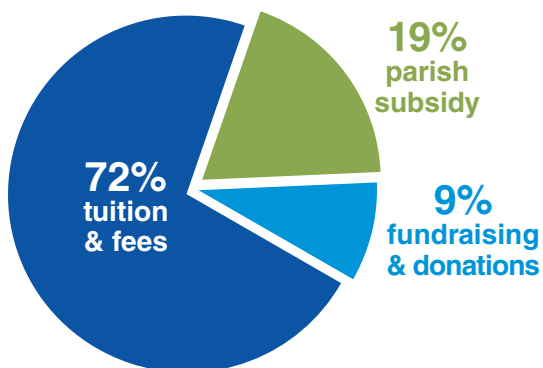

Timeliness is important because teacher contract offers and textbook orders are dependent upon the enrollment count. Acceptance is tiered as follows: **1** Children already attending Immacolata School, **2** Families of Immacolata parishioners, **3** Out-of-parish families by date of returned registration.

## TUITION INFORMATION

There is a 3% increase in tuition for the 2016-2017 school year. This is just due to normal inflation.

Tuition only covers only a portion of the cost to educate your child. The projected **estimated cost to educate each child is approximately \$6,670.** The difference between the tuition and the cost to educate is covered through the parish and fundraising activities. **This means that through the generous support of our community, our families receive a minimum subsidy of \$1,390!**

The diagram below shows the breakdown of our projected income for the 2016-2017 school year.
