

Altar Servers Training

Any one entering fifth grade or older is invited to become a Mass altar server. They must be a practicing Catholic --- go to weekend Mass every week. They must have respect and reverence for the Eucharist and be reliable in following their scheduled times.

Altar servers are required to arrive 15 minutes before Mass --- to vest, prepare the vessels for the credence table, light candles and set up the Offertory table.

They are also responsible for obtaining their own sub if they are not able to fulfill their commitment.
